AGENDA

Ord. 100-2007 (361-07) Lease Mary Mavec

An ordinance authorizing the Mayor of the City of Euclid, or his designee, to enter into a Lease Agreement with Mary Mavec Opportunity School at its new location, 21701-21705 Lake Shore Boulevard. (Sponsored by Mayor Cervenik by request of CS&ED Director).

Councilman Langman moved for passage, Councilwoman Mancuso seconded.

Law Director Frey – President Gruber, members of Council, members in the audience today, where we are procedurally with this, this piece of legislation was on the Agenda for Monday evening’s Council Meeting, May 21st. Unfortunately we did not take the required suspension of the rules to allow us to act on the legislation without three readings. I apologized to Council for that oversight and then compelling this special meeting to correct that mistake.

Where we are is debate has been closed. That motion still stands. We have a motion for passage of the legislation. So the next order of business would be suspension of the rules requiring three readings and then vote on the legislation if the rules are so suspended.

Councilman Langman moved to suspend the rules. Councilman Lisy seconded. Yeas: Unanimous.

Roll Call: Yeas: Conway, Gruber, Langman, Lisy, Mancuso, Walsh
Passed.

ADJOURNMENT
