Just Jots and Joels
By the Editor

It looks like the beginning of the end. Like the story of the man who called the wise man to interpret the writing on the wall. Whether the interpretation was accurate or not is questioned even when the same King's decree was foretold, at least it was written down. Good is like that, too. In the end, there are no clear answers, but it is written down in our lives all over the page.

"Eldorado of the West"—that's what they call it here. But I'm not so sure. I'm not sure if it will work, or if it will be worth it. If we can't even connect with the people we're supposed to be helping. And if we don't, then it's all for nothing.

"The art of living"—that's what they say. But I'm not so sure. I'm not sure if it will work, or if it will be worth it. If we can't even connect with the people we're supposed to be helping. And if we don't, then it's all for nothing.

Endangering Public Health

A DEPARTMENT of Agriculture survey indicates that pro-
cidng the right food for a family of four in an open quar-
lot calls for an expenditures of approximately 50 cents
per week. Massachusetts on the part of nearly three
out of ten families is far in excess of that amount.

The problem is that the average family is not eating
usually three times as much as they should be or eating

Suicidal Jay-Walkers

100 MILLION people annually in the United States, and millions more in other parts of the world. So, of course, all of us know that there are those who take their life into their own hands and that
of other people.

However, there does not appear to be any more excuse
for the number of suicidaljay-walkers on the streets. At all the big downtown corners, pedestrians have a total
and disregard for the law, as thejay-walkers do. It is
under the impression that traffic is tailing whether it is
on wheels or on foot.

Friday is Courtes y Day

MAY DAY — the one, the only, the original — is here again. This is
the 31st of these mighty sale days. The policies and principles laid
down for the first MAY DAY, years ago, have helped to shape the
destiny of this famous day. Biggest stocks of seasonable and wanted mer-
chandise combined with the year's lowest prices — that's the simple MAY
DAY formula. And so rigidly have we adhered to these fundamental prin-
ciples that, in spite of copies and imitations throughout America, no other
sale day can compare with this. All Northeastern Ohio will benefit here on
Friday, Courtesy Day, when all items will be on sale at sensational low
MAY DAY prices.

Additional Free PARKING
Facilities Friday & Saturday
Our Patron's Garage — Lakeside and Ontario
will be again at 7 A.M. Additional parking space has been provided at the foot of
West 3rd Street (opposite stadium, Gage A). Follow the red arrows. Free Bus Service
will take you to and from the store.

If You Fail
to receive our splendid 32 page circular, you may
have a copy by calling at any information or ex-
tingle desk, any time on Friday or Saturday.

We Will NOT Be Undersold!
For obvious reasons some stores may attempt to
undersell certain MAY DAY items.

Remember — Should any of our advertised MAY
DAY items be advertised for less elsewhere, they can be bought
still LOWER here, regardless of OUR advertised prices.

Ex-Townsend Leaders Form New Liberal Party

Plan National Group to Fight Capital, Labor

Cleveland is the cradle of the Liberty Party of America, which

was in the vanguard of several political movements in the

United States. It was founded in 1848 by a group of people who

were opposed to the political machine and what they called "the

money power." The party lasted for about twenty years and

fled the political landscape.

James G. Pike, one of the founders of the Liberty Party, was a

prominent speaker and writer who led the party in Ohio and

Indiana. He was a strong opponent of the Mexican War and

supported the abolition of slavery. Pike was also a strong

advocate for women's rights and was one of the first men to

support the idea of equal rights for women.

Pike's ideas were ahead of their time, and he struggled to

gain support for his party. However, his efforts helped to

lay the foundation for future political movements in the

United States.

Observe Traffic Signals...Pleads Highway Director
By JOHN RITTER, JR.
Ohio Highway Director
The trouble with many drivers is that they don't observe traffic signs or signals. In many cases, it is because they have become careless and take the signs for granted.

"When you have a green light," the director said, "be sure you look both ways. When you have a red light, stop and don't go until it is safe to do so. The best way to avoid accidents is to be sure you know what you are doing at all times.

"Police are checking the number of drivers who fail to obey traffic signals. The problem is getting worse. It is important that people be aware of the importance of obeying traffic signals."
