Eastside Greenway Plans to Connect 19 Greater Cleveland Communities with Bike and Pedestrian Paths

by James Sonnhalter

Imagine living close to a trail system that connects neighborhoods throughout the eastern portion of Cuyahoga County with employment centers, transit, services, parks and green spaces. Imagine walking or biking to school, work, the store, or a park. Imagine being able to bike from the Euclid Creek Reservation to the Shaker Median Trail, or from Rockefeller Park to the North Chagrin Reservation. Imagine the Eastside Greenway.

The Eastside Greenway will increase pedestrian and bicycle connectivity in and between the eastern portion of Cleveland and 18 suburbs: East Cleveland, Cleveland Heights, Shaker Heights, University Heights, Beachwood, Pepper Pike, Richmond Heights, Highland Heights, Highland Hills, North Randall, Mayfield Heights, Mayfield Village, Euclid, South Euclid, Lyndhurst, Bratenahl, Orange Village and Warrensville Heights. Leaders from these cities are working alongside planners and other regional organizations, like the Cuyahoga County Planning Commission, LAND studio, the Cleveland Metroparks, Greater Cleveland Regional Transit Authority, Northeast Ohio Regional Sewer District and Bike Cleveland, to develop a plan for the greenway that can be used to guide the way to implementation.

With planning currently underway, the project team will be hosting a second round of public meetings to share project updates and solicit feedback from the community in early 2015 and you are invited. The same content will be presented at each meeting, so choose the date and location that works best for your schedule. The meeting dates are as follows:

January 28, 7:00 - 9:00 p.m: Happy Dog at Euclid Tavern, 11625 Euclid Ave, Cleveland
January 29, 7:00 - 9:00 p.m: Beachwood Public Library, 25501 Shaker Blvd, Beachwood
February 2, 7:00 - 9:00 p.m: Waterloo Brew, 15335 Waterloo Rd, Cleveland
February 3, 6:30 - 8:30 p.m: University Heights Public Library, 13866 Cedar Rd, University Heights

At the meetings, a brief overview of the project will be provided as well as the results of the completed inventory and analysis. Alternative routes for the greenway network will be presented and the project team will solicit feedback on route alignments as well as route priorities from community members. This feedback will be taken into account as the plan is finalized in the first half of 2015. A third round of public meetings, in which the final greenway plan will be presented to the public, will take place in May 2015. More information on the Eastside Greenway can be found on the project's website at www.eastsidegreenway.weebly.com.

Chris McGrath Honored with Community Service Award

Our Lady of the Lake is proud of "community hero" Chris McGrath

by Dana Heil

Anyone that works with volunteers knows that often they go about their business of making a difference and assisting others relatively unnoticed. Well that just changed for Chris McGrath when he received the Community Service Award from Euclid Hospital.

Chris accepted the award surrounded by family, friends and those that have benefited from his hard work over the years. Some of those that have benefited from Chris' dedication include:

Villa Angela-St. Joseph High school where Chris graduated in 1969,

St. Christine Church and Our Lady of the Lake Church where Chris serves as a Eucharistic Minister, Usher and a member of the Parish Life Committe.

Collinwood neighborhood where Chris and his wife, Linda, have lived for 30 years. It is there they raised their children, Erin, Katie and Matthew and enjoy their grandchildren Liam and Regan.

When he is home, McGrath focuses on many community initiatives including Block Watch, assisting neighbors with housing issues, and working to keep his community safe by checking on his neighbors and keeping an eye on vacant homes. He also serves on the Board at the Collinwood Recreation Center.

"When I heard about this award, I was very humbled," McGrath said. "It actually brought tears to my eyes."

In typical fashion, McGrath recognized the many others who do so much for the community. In particular, he spoke of fellow Viking parent and longtime volunteer Jim Tobin, who played an integral part in McGrath's quick treatment for the stroke he suffered over a year ago.

Although the things that McGrath does while volunteering are useful, most people would agree that it is the great love for his community that he demonstrates while serving that makes him special. Chris acts as an ambassador for all of the organizations that he serves. He continues to be committed to making Euclid where he works and Collinwood where he lives safer, friendlier places, all the while providing a great example for others and encouraging those around him to do the same.

So we at Our Lady of the Lake Church add our congratulations and heartfelt thanks for all that you do, Chris!

From the desk of Mayor Bill Cervenik

I would like to wish each and every one of you a Happy, Healthy and Prosperous New Year. In many ways, 2014 was a very good year and many positive things occurred in the City of Euclid and the surrounding communities. I look forward to working with everyone in the New Year, a year that will be full of challenges, triumphs and achievements.

Although we are all thankful that the economy has somewhat stabilized, it certainly has not recovered as we had hoped. Income tax receipts were well below projections and the cost of health care increased almost by 19% over the prior year. We continue, as most cities, to suffer from the cuts in funding imposed by the State of Ohio over the past few years. In addition, one of the city's largest employers, University Hospitals Administrative Offices, will be moving to a new facility outside of Euclid by May.

Unfortunately some very difficult decisions will need to be made in 2015 in order to achieve a balanced budget. I will work hard to maintain the services we have come to enjoy in Euclid and promise that we will remain a safe, friendly and viable community for years to come.

Revitalization of the East 185th Street area, continued growth in Downtown Euclid, including the arrival of "Chipotle Mexican Grill" and further development of our Lakefront are all priorities for the New Year. We will be welcoming the Help Foundation this spring as they open up their new headquarters and training facility on Euclid Avenue. Construction on East 222nd Street will be completed as new construction begins on Tungsten Road, and East 250th Street is scheduled for a long needed repaving as well.

In closing, I would like to thank all the residents and businesses for making Euclid the great city that it is today.

Mayor Bill Cervenik

Euclid Chamber of Commerce Membership Grows in 2014

by Edward Chenock

The Euclid Chamber of Commerce added 11 new member businesses, eight of which are located in Euclid. Many of these businesses were new to Euclid in 2014 and have joined the Chamber in the last quarter of the year.

The City of Euclid, in partnership with the Euclid Chamber of Commerce regularly reaches out to local businesses to assess the needs of our business community. While reaching out, the Chamber was able to gain additional members.

Below is a list of the recent Euclid business additions to the Euclid Chamber of Commerce:

A Day Volunteering at Euclid Hunger Center

byJesse Keffer

Over the year of 2014 I volunteered at the Euclid Hunger Center. I met some of the nicest people I know at the Euclid Hunger Center. I have also learned more about the need for food in our community. I have also learned about the multiple cultures of the community . I have learned about how to be a good citizen in our community.I have also learned about some of the diffrent religions in our community. I have learned to respect everyone I come into contact with. I have also learned about the importance of volunteering. I have seen how helping someone makes the person your helping feel. I suggest volunteering at the Euclid Hunger Center for anyone who wants to make a diffrence. If your intrested in volunteering contact Grace Wright at tbe Hunger Center.

A LIFETIME OF CHOICE DOESN'T END HERE.

Choose the hospice of choice.

Most people think you call hospice when you're all out of options. That's not true if you call Hospice of the Western Reserve. As Northern Ohio's most experienced and most referred hospice provider, we offer more options to personalize care. We focus on helping patients and their families live their lives where they choose – at our unique facilities, at home, at a hospital, at a nursing home or at an assisted living residence. Discover why the hospice of choice is Hospice of the Western Reserve.

Specialized and convenient care for complicated surgical conditions.

Charles Winans, MD

"You need surgery." Words no one wants to hear, but there is a good chance we will all need surgery of some kind during our lifetime. For those with other health problems, the likelihood may increase and the risk certainly does. This is particularly true for people with liver disease, including cirrhosis — a slowly progressive disease in which healthy liver tissue is replaced with scar tissue, eventually preventing the liver from functioning properly.

Charles Winans, MD, a Cleveland Clinic abdominal organ transplant surgeon, also has an interest in general surgery for high-risk patients, including those with liver disease. He performs surgery on these high-risk patients at Cleveland Clinic main campus and Euclid Hospital.

"Cirrhotic patients develop hernias, for example, due to the accumulation of ascites, or fluid in the belly," says Dr. Winans. "A construction worker may develop a hernia from straining due to constant heavy lifting. In those with cirrhosis, constant pressure from the fluid can cause a hernia." Medication and minimally invasive procedures may help in some cases. However, when surgery is needed, there are added complications for cirrhotic patients. Common procedures like removal of the gallbladder are harder, and entail greater risk both during the operation and recovery. Dr. Winans often is called in when internists or general surgeons recognize the situation is more complex.

"It's important for referring physicians and patients to be aware that this highly specialized level of surgical care — for conditions that can often go undiagnosed or may be considered untreatable — is available right here in the community," says Dr. Winans. "Euclid Hospital offers innumerable conveniences to patients and family members along with the extremely high level of care for which Cleveland Clinic is known."

The 2014 Euclid Holiday Celebration was held on December 5, 2014, and proved to be a well attended wonderful community holiday event. The City of Euclid, Shore Cultural Centre, and the Euclid Chamber of Commerce would like to thank our sponsors: K & D Management LLC and Leff Electric as Presenting Sponsors, and Gold Star Sponsor Dr. Paul Infield. Special activity sponsors included Holiday Concert: Euclid Hospital, Ice Sculpture: D & S Automotive, Sleigh Ride: Sims Buick GMC, Santa and Mrs. Claus: Action CARSTAR, Magic of the Holidays: Ss. Robert and William Catholic Parish, Holiday Bistro: The Carlson Insurance Agency. Silver Snowflake Sponsors were Our Lady of the Lake, North Point Apartments, The Manor of Euclid, and the Help Foundation. Candy Cane sponsors were Wendy's, PetFix Northeast Ohio, and Cuyhoga Community College. Green Holly Ambassador were Plaza/Paran Management, Power Alarm, Inc., Daugherty Construction, Inc., and First Merit Bank. Our Stocking Sponsor was BraeView Care & Rehabilitation Centre. We wish special thanks to Spirit Media, Simply Sound & Lighting, and Silhouette Productions. We also would like to thank our many volunteers, staff members, and community members for their attendance and participation. The event would not have been possible without you. We appreciate all the support, and wish everyone a Happy New Year!

Euclid's J.D. Byrider Franchise Wins Franchise of the Year Award

by Jillian Craig
J.D. Byrider, the nation's leading franchised used car and finance company, named Dennis Ange and his management team Franchise of the Year for their successful Euclid, Ohio, dealership. J.D. Byrider Corporate chose Ange and his team, recognized during the company's annual convention earlier this month, because of their dedication to customer service, excellence in sales and commitment to sharing best practices with other J.D. Byrider franchisees.

"We're thrilled to accept our Franchise of the Year award and couldn't be prouder of our staff who continues to provide our customers with valuable service," said Ange. "It's such an honor to be part of the J.D. Byrider family, and it's been a pleasure to serve our customers in the Euclid area. We look forward to another year of successful sales and exceptional service."

Franchise of the Year winners are recognized in three categories – single (one franchise location), mid (two or three locations) and multiple (more than three locations). Ange qualified in the single store category. Franchise of the Year winners are selected from among 132 locations across the U.S.

The Euclid store also earned a President's Award, which is based on store earnings, portfolio quality and customer service rankings.

2014 THAT WAS THE YEAR THAT WAS 2014

THE YEAR 2014 got off to an amazing start in the Viking Village as the annual Founders Day Celebration in January featured the distribution of more than $250,000 in scholarships to some 100 deserving VASJ students.

THE VASJ BOYS BASKETBALL TEAM competed in the program's 10th state championship, bringing home the state runner-up trophy in a classic D-III final that came down to the final buzzer.

Look At Us Now!

A SPECTACULAR SUMMER EVENT showed off the "new" Viking Village, including numerous upgrades and improvements throughout the venerable building at East 185th Street and Lakeshore Boulevard building. The transformation included a $250,000 gymnasium remodeling, complete with new state-of-the-art bleachers. The school chapel was rechristened the Founders Chapel, honoring the founders of the school's sponsoring religious orders, the Marianists and the Ursuline Sisters. In addition, the upstairs library became The Villa Angela Heritage Room and now serves as a multipurpose room for meetings and special events. Other improvements included repainted hallways, remodeled restrooms and new cabinetry in the third-floor chemistry lab.

FUNDRAISING RECORDS WERE BROKEN at VASJ's Fourth Annual Classic Mixer, held in April. The school netted $250,000 after all expenses were paid, making it the most successful fundraising event in the history of the school.

Villa Angela-St. Joseph High School

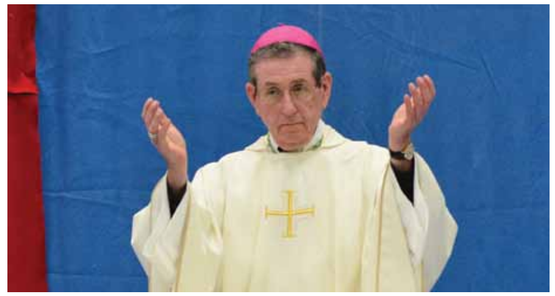
Faith. Family. Future.

2014 THAT WAS THE YEAR THAT WAS 2014

COLLEGE BOUND: For the third consecutive year, 100 percent of VASJ's graduating seniors headed to college. Members of the Class of 2014 earned an average of $121,000 each in college scholarships.

VASJ CHEERLEADERS TOOK FIRST PLACE in the OHSAA Division IV Mount Championship held at Bowling Green State University in March. The Lady Viking cheerleaders competed against squads from throughout the state.

Bishop Lennon celebrates VASJ's Opening Mass



THERE WAS MUCH TO CELEBRATE at the start of the 2014-15 school year at Villa Angela-St. Joseph High School – a summer filled with facility updates and renovations, including the new gym; an enrollment of 420, the highest it has been in years; a growing faculty and staff which includes several alums, and a new year filled with promise. For these reasons and more, the entire VASJ community came together on Thursday, August 28, as Bishop Richard Lennon celebrated the school's Opening Mass.

CHEF JAMES MAJOR '90, recent winner of the Food Network's reality TV show "Chopped," visited culinary arts classes at his alma mater. Major, executive chef for the Cincinnati Reds, prepared one of his winning dishes for students.

DON '70 AND MARY JO DAILEY were formally thanked by VASJ students during a special Mass in the school gymnasium in December. It is through the Daileys' generosity that the "new" gym was made possible.

VASJ VOLUNTEER CHRIS McGRATH '69 was recognized as the 2014 Community Service Award honoree. The program sponsored by Euclid Hospital highlighted McGrath's deep devotion to the Collinwood-Euclid community.

Middle School Band Concert at Great Lakes Mall

Sixth-grade students from Forest Park Middle School and Central Middle School spent a few hours playing holiday music for Great Lakes Mall patrons. Both band and orchestra students took the stage in front of Macy's department store on December 17, 2014. The music could be heard throughout the mall and got shoppers in the holiday spirit.

Girls Basketball Team Takes a Special Trip to Arbor

The Euclid High School Girls Basketball Team made their way to Arbor Elementary School to spend some time with students in room 127. Coach Phillips and Coach Wilson prepared their players for a fun morning with second-grade students, even giving them the opportunity to read to the class! This was a great experience for both the EHS Girls Basketball Team and the second-grade students from room 127!

Bluestone Student Council takes Annual Trip to the Slovene Home

Student Council Students from Bluestone Elementary School took their annual trip to the Slovene Home for the Aged. Students spent time with residents singing, coloring and talking. Bluestone students really enjoyed their time getting to know the residents and telling them all about what they are learning in school. This is a great Bluestone tradition that will continue to grow.

45 Seconds From Broadway

Bravo to the cast and crew of the Euclid High School Fall Play!

This year's fall play, "45 Seconds From Broadway" was written by Neil Simon. The show is based in a New York City café, a fictionalized tribute to the popular Broadway district eatery Café Edison. The patrons of this café include an array of melodramatic people who frequent the establishment, from a controversial comedian to a fading actress to matinee ladies, all taken care of by the couple who run the restaurant.

Chardon Hills Canned Food Drive

Chardon Hills Magnet School Student Council held its annual Canned Food Drive that collected 825 food items to donate to the Euclid Hunger Center. Great work to the staff and students at Chardon Hills who worked so hard to make this possible, especially Mrs. Kosilesky and Mrs. Dortleff!

Shoreview's Canned Food Drive

Students from Shoreview Elementary School donated over 1,100 items to the Euclid Hunger Center. The class that collected the most items was Mrs. Fortkamp's class with 159 items. Second place went to Mrs. Rich's class with 135 items and third place was Mrs. Simolin's class with 103 items. Great work to all of the staff and students at Shoreview!

Save the Date

Mark your calendars for Tuesday, January 27, 2015 at 6:30 p.m. Superintendent Keith Bell will be sharing more about the early learning component of the Euclid City Schools Phase II Facility Plan. The meeting will take place at the Early Learning Center at Memorial Park. We hope to see you there!

Five Years as Our Lady of the Lake Looking Back and Looking Forward

by Fr. Joe Fortuna

As we begin the new year, we also begin planning for another important milestone, the 5-year anniversary of Our Lady of the Lake Parish. We'll begin our year-long celebration in February, and look forward to sharing each month with parishioners new and old, visitors, friends and the community. We can't help but look back at how far we've come, reflecting on the challenges we've faced together and the many good things that have happened along the way.

Our school has grown in wonderful ways, with new families, new programs and offerings, and new technology. We've been so fortunate to maintain small classes and personal attention, while also welcoming these wonderful new students who have enriched our school and our community. We have also been delighted to welcome our new teachers, and the array of resources they bring, from the early childhood program to languages and the arts. Quality Catholic education remains a vital mission of Our Lady of the Lake Parish. We are proud to be maintaining our more than 80-year history, and to be able to provide such a valuable resource to the community.

Our parish has also grown and flourished in new ways. We have explored exciting ideas, like the possible launch of a Grameen Bank initiative, the introduction of community Prayer Walks, support of the new Euclid-Collinwood community building network, our first community concert on the rectory lawn, even a new Welcoming Ministry, that lets us reach out to new parishioners and visitors, and help them feel at home here at Our Lady of the Lake.

There's so much more to do. Our Hunger Ministry, prayer groups, Genesis for our senior members and youth ministry for our young ones, all these and more form the heart of our parish, and we look forward to seeing them grow in the coming year. Thanks to our thoughtful and engaged Parish Council, we have been able to focus on four core mission areas that will guide us in the months to come: Family Ministry, Faith Formation, Celebration of the Sacraments, and Community. These are all areas in which we can continue to be an anchor and a resource in our community, grow in faith together, and welcome and support our families and our neighbors.

This is going to be an exciting year at Our Lady of the Lake. We look forward to making the journey together.

An Exciting New Year at Our Lady of the Lake School

by Principal, Rita Kingsbury

We look forward with anticipation to this coming New Year at Our Lady of the Lake School as we continue to offer our families a faith centered, quality educational program. Our commitment to STEM education is exemplified by the addition of over one hundred Chromebooks using Google Apps for Education. Many of these devices will be in the hands of our seventh and eighth graders, but we have also purchased enough for several to be placed in each classroom. Our iPad initiative continues to flourish in our fifth and sixth grades, with an extra classroom set used throughout our school. Even our Preschoolers have access to iPads! Our service learning program has been a wonderful addition in our building. We have a dedicated space for children to come and explore topics and opportunities for service in our community and across the globe. This type of learning adds a new dimension to service possibilities. Our young people not only explore ways in which to help others, but also learn why problems exist in society, offering a much more systemic approach. With the help of a grant from the Talty Foundation, we look forward to more service learning opportunities, along with programming for our distance learning lab. We look forward to a bright future and New Year at Our Lady of the Lake as we nurture our children's spiritual life, along with expanding minds through our ever-growing technology initiative. Know that we will keep our Euclid community in our prayers through the remainder of this year and we ask you to keep us in yours.

Save the Date for Life on the Lake!

Our Lady of the Lake's biggest fundraiser is coming up on February 7, 2015, and it looks like this year's party is going to be another great success. Last year, Life on the Lake: Races and Raffles raised more than $38,000 to provide technology and enrichment funds for Our Lady of the Lake School. Thanks to this generous support, the school has been able to buy new Chromebooks, add new Spanish Language curriculum, introduce a Distance Learning Lab and much more. Enhancing the learning experience for our students and families is one of the important ways we support the mission of providing quality Catholic education in our community. And we couldn't do it without the help of all of our wonderful sponsors, donors, volunteers and supporters.

If you'd like to place an ad in our popular program, consider a sponsorship or buy tickets for the event, there's still time! It all happens February 7, 2015 from 5:30 p.m. to midnight, at the Irish American Club in Euclid. You can get more information by contacting Ann Kilroy at kilroy2012@roadrunner.com, or by visiting our Life on the Lake facebook page for complete forms and information.

Celebrating and Supporting Families

In a year in which Pope Francis has asked for conversation about families, Our Lady of the Lake will be going one step farther. We are creating opportunities to bring families together, and to talk about some of the things that matter most to us.

One opportunity will take place on Sunday, February 15th, when we'll host a family retreat that will offer our families support and community. We are encouraging families with elementary aged school children to worship at the noon Mass that day. But even if they are unable to do so, we are inviting them to join us for a meal immediately afterward in the Church hall.

After the meal, the children will join in some fun supervised activities, while the parents and other adults will be invited to take time for quiet reflection on the scriptures of the upcoming Lenten season and some personal conversation with each other about the meaning of those scriptures for them, and their families.

This tried and true method of reflecting on and sharing about the scriptures has been a blessing for those who have tried it twice here in the past year, and we are convinced it will be a blessing for those who join together that day. It's a wonderful opportunity for parents and other adults to carve out quiet time and space and engage one another on an adult level. Everyone, parishioners and non-parishioners alike, is welcome. Even though walk-ins are also welcome, it would be great if you could let us know in advance that you are coming, preferably by February 1. We look forward to seeing you there.

To register for the Family Retreat, call Our Lady of the Lake Rectory at (216) 486-0850 or feel free to email Fr. Joe directly at joe@ourladyofthelakeoh.org.

SRW 2015-2016 Open House

by Maureen Frydl

Ss. Robert and William Catholic School will be hosting its annual Catholic School's Week Open House on Sunday, January 25, 2015, from Noon until 1:30 p.m. Join us for the 11: 00 a.m. Mass at the Church and stay for the Open House.

This open house is primarily geared toward new students in grades pre-kindergarten through grade six. It is a great opportunity for prospective parents and students to meet and talk with the teachers, walk the hallways with student guides, and receive registration and financial aid information for the upcoming 2015-2016 school year.

Ss. Robert and William Catholic School is dedicated and committed to academic excellence and offers students the highest quality education with STREAM (Science, Technology, Religion, Engineering, Art, Math) based learning. Our administration and faculty are proud to offer advanced classes to students to prepare them for a quality education that will follow them through high school and beyond.

For more information, to schedule a private tour, or even to set up a shadow day for your student, contact the Admissions Director, Maureen Frydl, at 216.731.1515 extension 229 or email her at mfrydl@srwschool.cc. Visit our school's website at www.srwschool.cc and don't forget to like and follow us on Facebook, www.facebook.com/pages/Ss-Robert-and-William-Catholic-School/105863876110885.

National Junior Honor Society Gives Back

Donations to the sock, hat and mittern tree.

by Maureen Frydl

In our continued outreach efforts to the Ss. Robert and William Catholic School community, the National Junior Honor Society has collected numerous winter items that will be donated to Operation Coats for Christmas. Much appreciation is extended to the very generous students and families who live the spirit of this giving holiday season all year long.

Winter Art Walk

Imagine Bella hosted a Winter Art Walk on the evening of December 16th. Members of the Choir club sang carols and other songs led by Ms. Michelle Ianni, Imagine Bella Music Teacher, while families enjoyed hot cocoa in the cafeteria. Classroom doors where decorated for the winter door contest and families created holiday crafts with their students. Staff and students also decorated windows with artificial snow and the Holiday Gift Shop was open through the event. Ms. BreAnne Shriver, Imagine Bella Art Teacher, displayed student artwork throughout the building. Teachers updated families about student progress and Winter Break packets. Imagine Bella is looking forward to hosting families for another event in February.

Imagine Bella is working towards becoming a National Blue Ribbon School and seeking parent volunteers through the PTA and other projects to make it happen!

Academic Growth at Imagine Bella

Check out Imagine Bella's recent academic growth!

All students in grades K-5 take Quarterly STAR Benchmark Assessments in both Reading and Math. Imagine Bella's scores were compared to 16 other Ohio Imagine Schools and results are below.

Mid-Term STAR Reading Awards

Highest Learning Gain: Imagine Bella (1.08)

Highest % of Students At or Above Benchmark: Imagine Bella (46%)

Highest Growth in Students At or Above Benchmark (From Fall to Mid-Term): Imagine Bella (Increased by 14%)

Mid-Term STAR Math Awards:

Highest Learning Gain: Imagine Bella (1.1)

Congratulations to all the students, teachers, and families for their hard work! Imagine Bella still has a long way to go to ensure all of students are at benchmark in both reading and math. Imagine Bella will continue to push students towards success!

Polka Movie and Jam Session at Cinematheque

Joey Miskulin of Riders in the Sky, singer Cecilia Dolgan, and Canada's Polka King Walter Ostanek appear in Polka!

Learn how bandleader Frank Yankovic, a long-time Euclid resident, became America's Polka King in Polka!

Euclid resident Richie Vadnal talks about his musical career in Polka!

by Joe Valencic

Polka! The Movie, the documentary about Cleveland's century-old love affair with Slovenian music and sausages, returns for a special screening at the Cleveland Cinematheque, Sunday, February 8, 2015, at 4:00 p.m. Enjoy an accordion jam session at 3:30 p.m. hosted by the National Cleveland-Style Polka Hall of Fame and Museum. Joe Valencic, writer and narrator of the film, will share behind-the-scene stories. Key scenes were shot in Euclid's Polka Hall of Fame and the Collinwood and St. Clair-Superior neighborhoods.

Polka! The Movie traces how Cleveland-style polka music became a national sensation and is still enjoyed today across the country. Joe, president of the Polka Hall of Fame, takes you through the Slovenian neighborhoods where the Cleveland-style sound was born a century ago. The music got America dancing after World War II when Polka King Frank Yankovic (a long-time Euclid resident) scored million-selling hits. Vintage film clips and photos bring the polka past to life.

Polka! The Movie features performances and interviews ranging from legends like Joey Miskulin (Riders in the Sky), Walter Ostanek (Canada's Polka King), Euclid resident Richie Vadnal and Cecilia Dolgan, to younger musicians such as Kim Skovenski and Joey Tomsick. Cleveland personalities include Jan Jones, Tony Petkovsek, Bob Kravos, Bob Dolgan and the late Frank Yankovic Jr. The camera captures scenes at the Polka Hall of Fame Awards Show; the Slovenian Sausage Festival; the Thanksgiving Polka Party Weekend at the Cleveland Downtown Marriott; Father Frank Perkovich's Polka Mass at SNPJ Farm in Kirtland; Colinwood's Slovenian Workmen's Home; and Mitzi Jerman's hundred-year-old tavern on St. Clair Avenue.

The Cleveland Plain Dealer calls Polka! The Movie, "a film that will have you craving smoked sausage and stomping in the aisles." The Cleveland International Film Festival describes it as "a valentine to polka. Don't miss a beat; Polka! The Movie's a treat."

The 3:30 p.m. accordion jam session will be led by Patty Candela and Joe Strukel. The 90-minute documentary is presented in Slovenian and English with subtitles in both languages. The film was directed by Dušan Moravec for Slovenian television.

The film screens in the Aitken Theater at the Cleveland Institute of Art, 11141 East Boulevard in University Circle. Admission $10; Cinematheque members and those age 25 & under $8; free adjacent parking. For more information call the Cleveland Cinematheque at (216) 421-7450 or visit www.cia.edu/cinematheque/, or contact the National Cleveland-Style Polka Hall of Fame and Museum, 605 East 222nd Street in Euclid, (216) 261-FAME, www.PolkaFame.com.
